

## Powerful and easy to use for laundry or basements.

Wood's MRD20 is a powerful and compact dehumidifier that fits most environments. The MRD20 exhausts warm, dry air on its top that blow-dries the laundry. With MRD20, you don't have to worry about maintenance or defrosting - merely set desired humidity level and leave the unit to it. This is a smart and powerful dehumidifier, packed with benefits!

### Wood's MRD20

Wood's MRD20 is easy to install and operate, and will quickly lower the ambient humidity and remove mildew and moisture. Wood's MRD20 will run only when needed, and automatically shut off and restart depending on the ambient humidity. Further, the MRD20 will shut off automatically when the temperature drops below +5°C, to prevent icing. When the temperature rises, the dehumidifier restarts automatically. The MRD20 is a good choice for laundry, living spaces, basements, summer houses, caravans, or similar areas.

#### Advantages:

- For laundry, basements, living spaces, cabins etc.
- Removes excess moisture and bad odour
- IP-rated for tough environments
- Exhaust on top blow-dries laundry
- Hose connection for direct drainage
- Automatic defrost
- Automatic ON/OFF at +5°C to prevent icing
- Automatic restart after power failure
- Runs only when needed
- Generates more heat than it consumes power
- Energy efficient and quiet
- Up to 3 years warranty

#### Technical data

Max. working area	100 m <sup>2</sup>
Recommended area	2-60 m <sup>2</sup>
Airflow step 1	143 m <sup>3</sup> /h
Airflow step 2	168 m <sup>3</sup> /h
Air flow "Dry Mode"	187 m <sup>3</sup> /h
Capacity at 20°C & 70% RF	10,6 litres/day
Capacity at 35°C & 80% RF	20 litres/day
Power at 20°C & 70% RF	242 W
Power at 35°C & 80% RF	307 W
Tank volume	4,2 litres
Fan speeds	2
Dimensions (mm)	240x356x593
Weight	12,5 kg
Sound level	46 dB
Cooling media, freon free	R134A (150 g)
IP Rating	IP22 (X2)

Easy to use controls with LED display
